Subject: Calendar for forthcoming TCC meetings for the period between January 2023 and June, 2023-reg.

Sir,

The Technical-cum-Cost Committee [TCC] meetings of NMET have been organised every month to evaluate the project proposals received from Exploration Agencies [EAs] as per pre-circulated schedule. The regular TCC meetings have remained vital for managing the evaluation process in a more articulated manner.

2. Keeping this in view a calendar for organising forthcoming TCC meetings for upcoming six months [January, 2023 to June, 2023] has been finalised as per schedule given below:

S. No.	TCC Meetings	Schedule of Meeting
1	49 th TCC	30 th and 31 st January, 2023
2	50 th TCC	27 th and 28 th February, 2023
3	51 st TCC	23 rd and 24 th March, 2023
4	52 nd TCC	27 th and 28 th April, 2023
5	53 rd TCC	29 th and 30 th May, 2023
6	54 th TCC	26 th and 27 th June, 2023

* In case there is any change in the indicated dates the same will be intimated in advance.

3. Proposals received on or before last day of the penultimate month of the scheduled TCC meeting only will be discussed in that particular TCC.

4. Review material of those approved projects which are to be considered for review must reach to NMET 10 days prior to scheduled date of a particular TCC meeting.
