Comments of the Peer Reviewer

Title of the Geological Report : "Geological Report on Preliminary Exploration(G-3)for Copper, Lead, Zinc and associated metals in Salaiya Phatak Block , District - Katni, Madhya Pradesh."

1. It is a very very good report . Very well explained, nicely written and presented.
2. Objectives of the item have been fulfilled.
3. Sampling methodology, Drilling techniques, data collection and Laboratory processing for chemical analyses have been done as per standard norms UNFC and MEMC Amendment Rules 2015/2021.
4. Resource calculation , Documentation and interpretation of all the data are satisfactory and well presented .
5. Six boreholes were drilled but the outcome of Borehole MBSP-5 has not been mentioned except bohehole Log. A few lines about the outcome may be mentioned even if it is not a productive borehole .
6. Minor typographic correction on page 3, 6,64,75 may be attended to.
