Subject: Submission of Geological Report – NMEDT Sponsored Project: Preliminary Exploration (G-3) for REE and Associated Minerals in Borana Block, Bhilwara District, Rajasthan

Dear Sir/Ma'am,

In accordance with the recommendations of the 24th and 28th TCC-II, we are pleased to submit the Geological Report for the NMEDT - sponsored project titled "Preliminary Exploration (G-3) for REE and Associated Minerals in Borana Block, Bhilwara District, Rajasthan." The investigation has undergone a thorough peer review process and was recently presented during the 31st TCC-II meeting. The report has been meticulously compiled in strict adherence to the MEMC Amendment rules 2021.

In compliance with Rule 9 of the Mineral Conservation and Development Rules (MCDR) 2017, this email and report are also being forwarded to the offices of the Directorate of Geology and Mining (DGM) – Rajasthan, the Deputy Director General (DDG) of the Geological Survey of India (GSI) State Unit (SU) – Rajasthan, the Indian Bureau of Mines (IBM), and the National Mineral Exploration & Development Trust (NMEDT).

We express our deepest gratitude to the NMEDT, the Technical cum Cost Committee (TCC), the DGM – Rajasthan, and the DDG GSI SU – Rajasthan for your continued guidance, invaluable support, and cooperation throughout this project.

With Warm Regards,

Yours Sincerely,

For GeoExpOre Pvt. Ltd.,

Mansi Kesarwani
Assistant Manager
