Subject: Submission of Final Geological Report for the NMEDT Project titled "Reconnaissance Survey (G-4 Stage) for Limestone in and around Nanhwara-Kymore Limestone Block, District Katni, Madhya Pradesh (Area: 22.52 km²)"

Respected Sir/Madam,

Greetings from Engeotech Consultant.

We are pleased to submit the Final Geological Report for the NMEDT project titled "Reconnaissance Survey (G-4 Stage) for Limestone in and around Nanhwara-Kymore Limestone Block, District Katni, Madhya Pradesh", covering a proposed area of 22.52 km².

The project was sanctioned and subsequently revised/extended as per the following orders:

- Sanction Order : OM No. 23/563/2025-NMET/843, New Delhi, dated 10 February 2025
- Cost Revision : OM No. 23/563/2025-NMET/375, New Delhi, dated 12 September 2025
- Timeline Extension : OM No. 117/1/2025/NMET/740, New Delhi, dated 21 January 2026
- Cost Revision : OM No. 23/563/2024-NMET/818, New Delhi, dated 10 February 2026
- Timeline Extension : OM No. 117/1/2025/NMET/265, New Delhi, dated 12 June 2026

We hereby confirm that all activities envisaged under the approved scope of work have been completed in accordance with the terms and conditions of the sanction and the applicable NMEDT guidelines. The Geological Report has been peer reviewed, approved by the Technical Coordination Committee (TCC) for upload, uploaded on the National Geoscience Data Repository (NGDR) portal, and is being shared with the concerned authorities.
